Clause Shop Customer Policy Handbook (2026 edition)

1. Refunds

Refund window

Customers can request a refund within 14 days of delivery. Items must be unused and in their original packaging.

How refunds are paid

Refunds are paid to the original payment method within 5 working days after the item reaches our warehouse in Lahore. Cash on delivery orders are refunded by bank transfer or JazzCash.

Items that cannot be refunded

Perishable groceries, personal care items that have been opened, and gift cards cannot be refunded.

2. Electronics

Refund window for electronics

Electronics have a shorter 7-day refund window because they lose value quickly once opened.

Warranty instead of refund

After 7 days, electronics are covered by a 1-year warranty repair instead of a refund. Customers keep the original box for any warranty claim.

3. Warranty Claims

To start a warranty claim, customers visit Shop.com/support and enter their order number. A courier collects the item free of charge. Repairs normally take 5 to 10 working days, and the repaired item is returned at no cost. If an item cannot be repaired, Shop replaces it with the same or an equivalent model.

4. Delivery Times
